

Severity: Minor

Environment: macOS Sierra 10.12, Safari 10.0

Issue: Automatic text transfer into new line is missing.

Summary: No function of automatic text transferring into new line inside a borders of flowchart blanks.

Steps to reproduce:

- write some text in one line until the text goes beyond of borders;

Actual result: Text don't transfer into new line.

Expected: Upon reaching the border, the text should be transferred to a new line.
