

Test Case Priority: 1

Idea: Adding flowchart blanks "Note" and "Terminator" to workspace.

Additional info:

Trial account in Lucidchart Pro - login: bodi4ok@mail.ru, passwd:789852

Reproduce:

1. Open web page [https://www.lucidchart.com](https://www.lucidchart.com;);
2. login to account;
3. click button "Documents";
4. click button "+Document";
5. select in *templates* "Standard" and *category* "Flowchart";
6. click to button "Start Drawing";
7. move blank "Note" from section *Standard* to the workspace with drag&drop method;
8. move blank "Terminator" from section *Flowchart* to the workspace with drag&drop method.

Expected: Blanks should be added to workspace.

Actual: PASS
